

AUTHORIZED PROCEDURES FOR EMT PERSONNEL

Policy

- Upon proper training, EMTs may perform all procedures authorized in the EMT Scope of Practice according to CCR Title 22, Division 9, Chapter 2

EMT Optional Skills

- Accreditation for EMTs to practice optional skills shall be limited to those whose certificate is active and who are employed within the jurisdiction of the Marin County EMS Agency by a provider who is part of the Marin County organized EMS system
- The following optional skills may be performed after the EMT has received training approved by the Marin County EMS Agency:
 - Administration of pre-packaged Atropine and Pralidoxime Chloride (2-Pam)
 - Administration of epinephrine by pre-filled syringe and/or drawing up the proper medication dose into a syringe for suspected anaphylaxis and/or severe asthma
